THE OUTTA CONTROL MAGIC COMEDY DINNER SHOW
ORLANDO

Don't miss Orlando's funniest dinner show! Entertaining audiences for over fifteen years, Tony Brent combines a mixture of spectacular magic, impersonations, improvisational comedy and non-stop audience participation that will keep your groups on the edge of their seats. Unlimited fresh hand-tossed cheese and pepperoni pizza, salad, popcorn, soft drinks and dessert are served during the show. The 90 minute experience takes place nightly at 6:00pm and 8:00pm.

TERRY EVANSWOOD
THE WONDERS OF MAGIC
PIGEON FORGE

In his fifteenth season, Terry is the longest running headliner in town! His show provides comedy, magic, music, grand scale illusions, impersonations, classic sleight of hand and Houdini style escapes topped off with a heartfelt message of hope, love and a reminder of the real "Wonders" of the magical world we share. Groups can explore the "Hall of Magic" museum and see artifacts, costumes, props and personal memorabilia from an amazing collection of magicians.

WONDERS of Flight
Let Your Imagination Soar!
PIGEON FORGE

Let your imagination soar 400 feet in the air on a giant helium filled tethered balloon ride, new at WonderWorks.

Groups up to 30 people will board the gondola at one time. Silent and without any vibrations, the open air gondola will allow groups to experience the sensation of being on a flying balcony. The ascents, by day or night, provide guests with a 360° panoramic view of the Smoky Mountains. Incredible breath taking views will be seen from exceptional heights.

ZIPLINE & ROPES COURSE
MYRTLE BEACH

Get ready for adrenaline pumping adventures with a zipline that will take visitors soaring 50 feet above Lake Broadway. Featuring a constant tension system, the dual-line course ensures riders a smooth "zip" with intense fun. The pirate-themed ropes course stands a staggering 40 feet tall and spans three levels with 33 different challenge elements. This attraction provides a safe environment and an exciting opportunity for groups to engage in physical activity.
