

Dear Educator:

Thank you for considering WonderWorks when planning your field trips!

The WonderWorks attraction is known for creating challenging, interactive and educational experiences for guests of all ages. With an emphasis on science, math, art and physical education, students will spark their imagination, engage in physical activities and challenge their minds!

We are excited to present to you the **WonderWorks Educator's Guide**. It includes classroom activities aligned with the New York State Standards, detailed information to assist you in the booking process and lesson plans that will enhance your educational visit to our facility.

WonderWorks is an organization that believes in education and is excited to provide educators with a field trip that assists in developing the minds of our future and promotes an interactive and safe environment for hands-on learning.

Scientifically,

WonderWorks Education Department
