## **WonderWorks to Host STEAM Focused Summer Camps**

*One-week long camps will feature hands on lessons, daily crafts, guest speakers and more*

**Syracuse, NY** (May 2, 2018) This summer WonderWorks will host two Science Summer Camps on July 9-13 and July 16-20. Open to children ages 6-12, campers will participate in scheduled hands-on activities, with access to over 100 interactive exhibits, organized events, guest speakers and daily crafts that cover various scientific topics that relate to the STEAM (Science, Technology, Engineering, Arts and Mathematics) learning approach. Starting at \$250 per child, Annual Pass Holders can receive a \$50 discount upon registering.

“I think the most rewarding thing about doing these camps each year is seeing the kids genuinely enjoy learning about science and STEAM,” said Director of Operations at WonderWorks Nicole Montgomery. “We couldn’t be more excited to welcome all of our campers this summer and give them a one of a kind experience that only WonderWorks can give.”

**WonderWorks summer camps will span over a two-week period and are split by age groups:**
