Science Comes Alive During Science Week at WonderWorks Destiny

Five days of hands-on STEAM fun, interactive demonstrations, and winter break adventures for families in Central New York

SYRACUSE, New York - (February 11, 2026) – Fun is in full swing at WonderWorks Destiny as the team gears up for their annual Science Week event, from February 16-20, 2026. Winter break is right around the corner for CNY schools, making it a great time for families and locals to check out WonderWorks and all it has to offer. The upside-down house helps keep the fun and learning going all throughout winter break and beyond. From interactive science demonstrations to a 50% off ropes course ticket deal on select days, WonderWorks has everything you need to make the most out of a Syracuse stay-cation.

“Take your family’s February break to the next level with a visit to WonderWorks!” said Jon Cascella, general manager at WonderWorks Destiny. “Our entire team looks forward to this special week every year, and we’re ready to have a blast with guests at both our regular attractions and our exciting science sessions throughout the week.”

Guests will not want to miss all the fun offered during Science Week. Young explorers can unleash their inner scientist with five exciting days of interactive STEAM (science, technology, engineering, art, and mathematics) sessions, demonstrations and activities. This annual event offers students and families the opportunity to engage their mind and spark creativity during the school break, in a fun affordable way.

The schedule of events for the week includes:

- **Meteorology Monday on February 16, 2026** – Get blown away on Meteorology Monday from 1 pm to 3 pm to kick off Science Week. This day will be dedicated to learning more about wintery weather facts, trying DIY weather experiments, exploring natural phenomena and more.
- **Egg Drop on February 17, 2026** – Watch out below! Take part in WonderWorks’ annual Egg Drop Contest from noon until 2 pm to see if you’ve got what it takes. Participants will put their engineering skills to the test and attempt to prevent their egg from breaking as it hits the ground. Supplies will be provided and participation is free.
- **Destiny USA’s Winter Break Bash on February 18, 2026** – Swing by the WonderWorks table at Destiny USA’s [Winter Break Bash](#), taking place from noon

until 2 pm in the Canyon area of the mall (right below the Canyon Climb Ropes Course). The WonderWorks team will be helping attendees create dancing art through an electrifying science experiment, handing out Professor Wonder activity sheets, giving away special coupon offers, and more. This is a free event hosted by the mall and will feature lots more fun activities from other stores.

- **Color Me Curious on February 19, 2026** – The Science Week fun heads back inside WonderWorks on Thursday from 1 pm to 3 pm. With a stroke of genius, put the “A” back in STEAM! Guests can try their hand at creating pop art, watch a mesmerizing, colorful elephant toothpaste explosion, and more on this creative, hands-on day.
- **Animal Wonders with Rosamond Gifford Zoo on Feb 20, 2026** – Science Week will conclude with a special guest session from 1 pm to 3 pm that participants will not want to miss! Guaranteed to get guests up close and personal with animal biofacts, this event will examine animal tracks, pelts, skulls, teeth, and more. This session is held in partnership with [Rosamond Gifford Zoo](#).

Monday, Thursday, and Friday’s Science Week sessions begin at 1 pm and cost only \$5 to participate in, while Tuesday and Wednesday’s sessions begin at 12 pm and are free for all. WonderWorks Destiny Annual Passholders can experience all five sessions for free as a perk of their pass. Guests can pre-register to reserve their spot online: <https://www.wonderworksonline.com/destiny/science-week/>.

“It may be cold outside, but it’s always warm in the mall! Winter is one of the best times to experience WonderWorks, with special events like Science Week, great ways to save on tickets, and more,” said Jon Cascella, general manager at WonderWorks Destiny.

Mark the family calendars now for your next WonderWorks visit! With winter being one of the best times to visit the upside-down house, locals and visitors alike will want to check out the best indoor amusement park in Central New York. The indoor attraction provides a place to stay warm, stay active, and explore.

Be sure to take full advantage of the exclusive Wonder Wednesdays deal, running through the end of February 2026. Wonder Wednesdays provides guests with the opportunity to score 50% off tickets to the Canyon Climb Ropes Course at the door, every Wednesday through February 25, 2026. Guests will not want to miss this chance to check out the Canyon Climb at a great rate. The Canyon Climb ropes course is the world’s largest suspended indoor ropes course, standing 70 feet tall. Climbers will get to explore three levels of ropes as they take on over 81 different obstacles. Closed-toed shoes and proper dress is required to go on the ropes course, and there are height and weight restrictions in place. WonderWorks Destiny offers a variety of educational programs and promotions throughout the year for local students and families to enjoy. They provide group rates, birthday parties, homeschool days, corporate event packages, and an annual pass. They have over 100 interactive exhibits covering topics such as extreme weather, space exploration, light and sound, and more. The upside-down laboratory is also home to a thrilling laser tag arena, an imagination lab, a youth art gallery, and a physical challenge

zone, including the 4D XD Motion Theater, the Astronaut Training Challenge, and more. For more information and current hours of operation, visit the site at: <https://www.wonderworksonline.com/destiny>.
