WonderWorks Orlando is Spreading Love and Appreciation to Three Important Professions This May

ORLANDO, Fla. - (May 4, 2026) – Calling all teachers, nurses, and military members who want to let loose and have some educational fun this spring! WonderWorks Orlando is taking the month of May 2026 to celebrate three important professions and is inviting them to experience the wonder of the upside-down house with free admission and special offers. Each of the three professions are being celebrated at different times throughout the month, but all three are making waves in our communities every day.

“May is sure to be a fantastic month here in the upside-down house,” said Brian Wayne, general manager at WonderWorks Orlando. “We’re offering free admission for multiple incredible professions, we’ve recently added several new exhibits that guests are getting to experience for the first time, the amazing magic dinner show is running nightly, and so much more. Plan your visit soon!”

May is a special time both at WonderWorks and across the country, putting teachers, nurses, and members of our armed forces in the spotlight for all they do. Collectively, they touch millions of lives and play an important role in our society. WonderWorks is inviting them to come explore the popular attraction, have some educational fun, and make memories with their loved ones as a way to say, “Thank You.” The indoor amusement park for the mind provides the perfect space to play for all ages.

Here is when each of the three professions are being celebrated:

- **Teacher Appreciation Days – All throughout May 2026**

WonderWorks is applauding educators for being the classroom superheroes that they are. All teachers and school support staff are invited to celebrate the end of another successful school year with a free adventure at WonderWorks Orlando. They are eligible for free All Access admission all month long with advanced registration, and up to four guests with them will get 50% off their admission ticket. Public and private school educators can register for the discount voucher [online](#), and must print it to present along with their school identification or a recent pay stub upon arrival in order to redeem the offer. WonderWorks is proud to work with educators and schools all year long, providing educational resources, field trip opportunities, and more.

- **National Nurses Week – May 6-12, 2026**

This event kicks off on National Nurses Day and runs for a week, celebrating those who are the backbone of the healthcare system. Nurses of all specialties are invited to snag a free All Access admission ticket at the door during this special week. Their guests will also receive a discounted rate of only \$22 plus tax per person. All nurses redeeming this offer must show their employee identification at the door. WonderWorks is also taking this time to advocate for the [Nursing is STEM](#) coalition, where they are helping to spread information regarding why nursing should be designated as a STEM field across all agencies and illuminating the building in blue.

- **Armed Forces Week – May 9-16, 2026**

Millions of people serve in the country's armed forces, so WonderWorks is saluting and honoring them for their sacrifice. All active duty and retired military personnel are invited to enjoy a free All Access admission ticket at the door during this special week, which culminates on Armed Forces Day. Those with them will also receive \$3 off each of their admission ticket price. Military identification will need to be shown at the door to redeem the offer.

"We love showing some appreciation to different types of professionals each spring, and this year, our entire team is especially excited to include a brand new National Nurses Week deal!
