WonderWorks Panama City Beach Celebrates 15 Years of Fun, Learning, and Wonder

PANAMA CITY BEACH, Fla. - (June 9, 2025) — Time flies when you're having fun! WonderWorks Panama City Beach is celebrating its 15th anniversary on June 23, 2025. On that day, guests will be treated to a 15% off discount on all souvenirs and retail items in the gift shop. The iconic upside-down building, which has become a staple of Panama City Beach, is ready to kick off its 16th year of providing families of all kinds with loads of engaging summer fun that keeps the learning going. From the mind-blowing Wonder Zones to the laser tag arena to the glow-in-the-dark ropes course, there's something for everyone inside.

"Can you believe WonderWorks has been around for 15 years?" said Darren Grooms, general manager at WonderWorks Panama City Beach. "Plan your family's next visit soon to celebrate with us!"

Since its opening day in 2010, WonderWorks has been happy to be a part of the Florida Panhandle community, providing both locals and tourists with a great place to have fun, learn, and explore. WonderWorks and Panama City Beach have endured everything from devastating hurricanes to a rare snowfall together, including Hurricane Michael, which hit Florida's panhandle as a category five in 2018. Nevertheless, the upside-down house has remained a place to find enjoyment. Over the years, WonderWorks has strived to give back to the community by running fundraisers, service appreciations deals, and giveaways for panhandle locals. They have also played an essential role in educating young minds, offering schools a place for fun, academic, and affordable field trips.

WonderWorks is grateful for all guests who have visited over the years and for their amazing team members who are dedicated to helping everyone have a great experience. Guests are invited to stop by the Wonder Shop gift shop on the anniversary date – June 23 – to save 15% on all souvenirs. From silly T-shirts to mini science experiments, the Wonder Shop is sure to have something you'll want to take home!

"Self-care is taking a break from that Florida sun and embarking on an indoor adventure! WonderWorks covers you for all those extra hot or rainy days this summer. Don't miss out on all the hands-on activities we have to offer!" said Amanda Hinzman, sales manager at WonderWorks Panama City Beach.

The upside-down indoor amusement park for the mind is an excellent summer fun destination. Not only do guests enjoy what they are doing, but they are learning as they do it. As WonderWorks kicks off their 16th year of offering summer fun, the attraction invites parents to bring the kids in to get hands-on learning experiences in topics they have been learning about in school. Parents can help keep the learning going in a fun

way and avoid the dreaded summer slide. Watch the WonderWorks Panama City Beach social media pages or join their email list to keep up on the best ways to save on admission tickets.

WonderWorks Panama City Beach offers over 100 fun and educational exhibits and events year-round, including laser tag, an indoor ropes course, the Xtreme 360 Bikes, a virtual reality Grave Digger monster truck ride, the Bubble Lab, extreme weather experiences, a space discovery zone, illusion art, and physical challenges. There are also team-bonding activities for groups such as sports teams, summer camps, clubs, corporate teams, and more.
