Spring Into Learning: WonderWorks Panama City Beach To Offer Special Ticket Giveaways and Discounted Tickets for Students

From College Days to National Library Week, the attraction is rewarding education with hands-on STEAM experiences and special admission offers this April

PANAMA CITY BEACH, Fla. - (April 1, 2026) — WonderWorks Panama City Beach values education all year long, but they are putting a special focus on it during April 2026, and they're inviting everyone to get in on the action. The indoor amusement park for the mind is doing even more to value education on top of their existing STEAM exhibits as local schools approach the end of the year and the start of summer vacation. They will be offering exclusive College Days discounts and celebrating National Library Week with unique opportunities to score discounted and free admission tickets this spring.

"Education meets entertainment here at WonderWorks!" said Darren Grooms, general manager at WonderWorks Panama City Beach. "We always try to wrap the school year up with plenty of fun events for students, teachers, and beyond. Now's a great time to plan your next visit."

April 2026 is the time to spring into learning at WonderWorks Panama City Beach. Guests can get in on special admission ticket offers for being college students and first-time library card holders. All month long, college students can celebrate the end of their semester with a discount ticket offer to visit WonderWorks. By showing a student ID at the admissions counter, college students can score All Access tickets for \$15 plus tax per person. This annual event gives college students a chance to explore and have fun at an affordable rate, providing them with a great study break.

This year, National Library Week is recognized from April 19-25, 2026, and WonderWorks Panama City Beach will be teaming up with the local library system to celebrate the power of books, reading, and education. Those who sign up for a first-time library card during this week at the Panama City Beach Public Library will receive one free admission ticket to WonderWorks to celebrate. The tickets will be provided by the library when signing up for the new card. When visiting WonderWorks, guests will need to present the free ticket and their new library card at the admission desk to redeem the offer. Start your journey with a story, then bring the learning to life at the upside-down laboratory!

"A big part of our mission is providing educational opportunities for schools throughout the Florida Panhandle, so the spring field trip season is very fulfilling for our team. It's amazing to see the sense of wonder on students' faces as they take in the flipped building or conquer an exhibit!" said Amanda Roberts, education sales manager at WonderWorks Panama City Beach.

Spring is officially field trip season at WonderWorks, the indoor amusement park for the mind. They are gearing up for thousands of students and their chaperones to visit, creating the perfect go-to spot for educational fun. Students will have the chance to dive into the wonders of STEAM (science, technology, engineering, art, and mathematics) in a unique and memorable setting. As students explore the many educational exhibits throughout the facility, they'll get to experience first-hand just some of the things they have been learning about in the classroom, including light, sound, weather, physics, and more. The fun will be extended to educators during the month of May 2026, for WonderWorks' annual Teacher Appreciation Days. Teachers are encouraged to watch the [social media pages](#) for dates, registration, and more information to be announced.

WonderWorks Panama City Beach features over 100 fun and educational exhibits and events throughout the year. The attraction includes laser tag, an indoor ropes course, the Xtreme 360 Bikes, physical challenges, a virtual reality Grave Digger monster truck ride, the Bubble Lab, extreme weather experiences, space discovery replicas, illusion art, and more. There are also plenty of team-building activities available for groups, including sports teams, clubs, summer camps, and student organizations. To get more information, purchase tickets, or reserve a group rate, visit the site at: <https://www.wonderworksonline.com/panama-city-beach/>.

About WonderWorks

WonderWorks, a science-focused indoor amusement park, uniquely and engagingly combines education and entertainment. With over 100 hands-on exhibits, there is something unique and challenging for all ages. Feel the power of 74 mph hurricane-force winds in the *Hurricane Shack*. Make life-sized bubbles in the *Bubble Lab*. Experience zero gravity and get the NASA treatment in the *Astronaut Training Gyro*. Conquer your fear of heights on the indoor *Glow-In-The-Dark Ropes Course*. Nail it by lying on the death-defying Bed of Nails. WonderWorks has locations in Orlando, Pigeon Forge, Panama City Beach, Myrtle Beach, Syracuse, and Branson.
